Subject: Tasmanian Psychic Expos

Hello!

After being given direction and advice today from Business Tasmania and the Tasmanian Health Department, I ask for written confirmation, that, for our Tasmanian Psychic Expos, these understandings are true:

- a) masks are required while indoors, as entering the building foyer, lifts, toilets, exhibition rooms and the general floor area, etc; Correct unless someone has an exemption. Please see more information here: https://www.coronavirus.tas.gov.au/keeping-yourself-safe/face-masks/mandatory-mask-wearing-in-public/_nocache
- b) masks are not required for private, socially-distanced personal, individual spiritual counselling sessions where facial visuance and clear diction are required in calm, confidential sessions; One exception to wearing a mask is - Clear enunciation, or visibility of the mouth, is required as part of your employment or training.
- c) masks are required for persons receiving health treatments where no speaking is required, like, foot massage, seated reiki, aura healing, etc, but for face-down massage with face in hole, speaking and treatments on face, masks may be temporarily removed. Another exception to wearing a mask is - Receiving a treatment or service that can't be provided while wearing a face mask. Examples of services include haircuts, facials, massage, piercings, make up and body modification.

Further information can be found here: https://www.coronavirus.tas.gov.au/keeping-yourself-safe/face-masks/mask-wearing-advice-and-resources/_nocache

Thanking you,
Jason.
